What's Next?

You're all signed-up, so there are only five things you need to do:

Make sure we have your code of conduct, parent guardian medical and consent forms:

We need to make sure that we have got consent for you to come on the programme, you have read and understood our participant code of conduct and we have all the right medical information for you. We have emailed and texted you a link to complete the forms – if you haven't got this then get in touch!

Come to an induction evening and an introduction event:

We will be hosting various events in the run up to departure at The Escape Rooms and Chesterfield Bowl. We want you to come along and meet your new teammates and leaders.

Join your Facebook page:

You will receive a text with an invitation to your own NCS Facebook group; on here you will find loads of cool content and be able to chat to our staff and your fellow NCS participants.

Get your kit sorted:

As you'll be doing loads of activities there will not be a chance to visit shops, so you will need to be appropriately suited and booted! There's a full kit list included later on in this pack. If you are struggling to purchase any items on the list please contact us asap and we will be able to assist you. You will drop off your kit the night before the programme at the bag drop.

Turn up at your collection point on day one:

Make sure you turn up on time; otherwise, you might miss the coach! Call **01246 887419** on the day if you think you'll be late, or if you have any other problems.

This can range from opportunities in volunteering to direct employment. You may also have the chance to become an NCS Leader with your school and participate in further NCS programmes.

If you have been inspired by what you have achieved – or simply want to use your new contacts to get ahead when applying for university, a job, or an internship – then you can become a member of the Future Foundations network. This gives you the opportunity to be a part of the annual FF awards and to participate in a multitude of other social action opportunities.

Graduation:

The Avenue, Beetwell Street,
Chesterfield, S40 1SH.
14th September, 6:30pm.

"My daughter made new friends who she will stay in contact with, she experienced a variety of things to help build her confidence. She learnt many life skills and gained a lot from the tasks and activities she took part in. She was also inspired by the NCS leaders, some of whom were young and who took an interest in each child individually, they were very motivational and made the programme very enjoyable for my daughter."
